Facials

The **Vagheggi** laboratories take selected molecules from the world of plants for specific action on skin targets with different problems. Each treatment is also an olfactory experience in pursuit of total wellbeing. When selecting its raw materials, Vagheggi follows careful fair-trade and sustainable development policies.

Dermaviduals is world-renowned for manufacturing active skin care systems, using only pure ingredients. It is a customised dermatological skincare range with the power to treat any skin condition. It's bespoke skincare at its best.

Facials start from \$65.00 (30 mins)

Please go to Debod Beauty on our website www.debod.net.nz to see our range of facials, or book in for a skin consult and facial so we are able to prescribe a facial best suited for your skin.
